Take Action (8-12 years)

Children are taught a range of strategies via a 6-step ACTION plan. Each letter in the word ACTION stands for a skill children learn. This is a program which provides children with clear, practical skills to manage anxiety and improve their social and life skills. By practising the skills they learn, the participants develop their own action plan to reduce and overcome anxiety.

Location: Peakhurst, Maroubra and Bella Vista (Check timetable for details)

PALS Social Skills Program (4-6 years)

The early school years are when children start to make friends, learn to cooperate with others and begin to solve social problems. Like all skills, some children develop social skills more easily than others. Social skills are of the utmost importance for every child's future development.

Location: Peakhurst and Bella Vista (Check timetable for details)
