**Task Description** – Analyse the piano score for ‘The Man From Snowy River Theme’. Students will be given 4 periods of class time to work on the assessment.

**Task (Option 1 – Extension) (A-B Grade)**

- Students are to work out the notes of the scale of the original score and write the scale degrees under these notes of the melody and bass line.
- Students are to identify the relative minor and the notes of this scale and write the scale degrees underneath each note.
- Work out the notes for the new key.
- Transpose the melody and bass line to the relative minor using MuseScore and the correct key signature.
- Students are to compose a new bass line for the first 10 bars following the given chord progression. The bass line must incorporate multiple note values (e.g crotchet, quaver, minim, semibreve)
- The composition **MUST** be notated in MuseScore. The composition must have the name of the piece and the file (document) must be saved as YOUR NAME.

**Task (Option 2) (Maximum C Grade)**

- Work out the notes to the scale of the original score and write the scale degrees under the notes of the melody.
- Work out the notes of the scale and scale degrees of the equivalent minor key e.g C major would become C minor.
- Transpose the melody of ‘The Man From Snowy River’ to the minor scale of the same key.
- Compose a simple bass line for the first 10 bars using the given chord progression and must include at least two different note values.
- Composition **MUST** be notated in MuseScore including a title, correct key signature and new bass line.

**Task (Modified) (Maximum D-E Grade)**

- Work out the notes of the scale for the original key on the score and write the scale degrees underneath each note of the scale.
- Write and scale degrees under the notes to the melody.
- Work out the key, scale and scale degrees of the key, 1 tone higher than the original key and write the scale degrees under each note.

- Transpose the melody of 'The Man From Snowy River' 1 tone higher.
- Create a simple bass line using the given chord progression for the first 10 bars. Students are to use a minimum of semibreves (1 note per bar).
- Composition is to be transposed using MuseScore including a title, correct key signature and new bass line.

#### General

- Composition **MUST** be submitted in the assessment section of Google Classroom.
- Ensure your file is saved as YOUR name.
- Original score must be submitted either in hard copy or scanned and uploaded to the Google Classroom for marking of scales and scale degrees.

#### Outcomes/Competencies to be assessed in this task:

Ability to complete all requirements

Ability to discuss how the concepts are used in the chosen styles

Ability to complete a detailed analysis of a score

P3 Improvises and creates melodies, harmonies and rhythmic accompaniments familiar sounds sources reflecting the cultural and historical contexts studied.
