

NSW & ACT Pathways to Post School Life Information Session

A session for young people in Years 10-12 and people who support them

The NDIA would like to invite NSW and ACT students with a disability in Years 10-12, their parents, carers and education professionals, to attend a virtual information session.

This is a session about building skills and paving a pathway to post school life. We'll discuss a range of NDIS-funded supports and other assistance to help young people build skills to prepare for their transition, and support them in achieving employment and other goals, post-school.

Sessions are offered over multiple dates to allow flexibility for attendees, and will be delivered via video-conference using Microsoft Teams.

Registrations close three business days before the event. Two business days prior to the event, details to join the session will be sent from events@ndis.gov.au to the email address you provide at registration.

For any enquiries regarding this session, please contact events@ndis.gov.au. Please include the session name in the subject line.
