McDonald's currently has numerous opportunities for students to join our team. We would like to encourage your pupils who are 14 years and over to apply.

At McDonald's, we seek employees who love to create and serve great food, possess a positive attitude, can provide world-class customer service, and most importantly, like to have fun while they are working! Whether it is building skills for life or giving flexibility to fit in with lifestyles, we create jobs that work for everyone.

McDonald's is looking for motivated, passionate people who prioritise health and safety as much as we do.

The benefits of starting a career at McDonald's or engaging in a first job are:

- School Based Traineeships and Management Opportunities
- A Wellbeing Program
- Learning and Development opportunities
- Flexible Scheduling around other commitments
- Discounted Meals
- Discounts at Major Retailers

Did you know that many of our current shift managers and Restaurant managers started at McDonald's as a part time job while at school and or university? As the largest employer of youth in Australia we would be glad to participate in any careers day events or assist your school in business studies related enquires that may benefit your students.

Included in this email is a poster and JPEG file that can be shared with your students. The students can simply use the QR code to apply at McDonald's or gain more information regarding working with us. You can also apply at the following link <https://careers.mcdonalds.com/australia-restaurant>

For more information, please contact me directly on 02 8795 0322 or [matthew@jemada.com.au](mailto:matthew@jemada.com.au)

Regards,

Matthew Nicholson
