## Homework Club

Dear Parent

Ambarvale High School is constantly exploring new and innovative ways to improve the educational outcomes and school experience for our students.

As part of the transformation of the Library facility into the Learning Centre, a few new programs are on the horizon. Beginning next week, we will be opening the space to function as a Homework Centre from 3:00pm – 4:00pm on Monday and Wednesday afternoons. A roll will be recorded, but only for the collection of data.

A number of staff have volunteered their time to be available to help support students wishing to take advantage of this space. The expectations are that students will only be engaged in school work. Students who do not respectfully utilise the Homework Centre will be removed for a period of 2 weeks before being able to return.

To ensure the safety of those attending, they will not be permitted to leave until 4:00pm, to ensure parents and carers are aware of their location. However, once the students have left the Library/School grounds they will no longer be under the care of the school.

A simple snack will be provided, as will computer, printer and internet access – and a range of staff specialists. A schedule of available staff will be posted on the library notice board.

We look forward to further supporting the learning outcomes of our students by providing this opportunity and will hopefully be able to develop this facility into the future.

Please find the attached permission note and return to Ms Arts.

Ms S Arts  
Deputy Principal  
31 January 2020
