## Year 10 Mandatory programs during Week 8

Dear Parent

During Week 8 Year 10 will be completing a series of mandatory activities during class time.

1. 'All my own work' On-Line Test of the rights and responsibilities of the HSC Certificate.
2. Activate NESA Account
3. 'USI' (Unique Student Identifier) application.

**'HSC: All My Own Work'** is a program designed by NESA to help Higher School Certificate students follow the principles and practices of good scholarship. Students will complete five short quizzes and must gain 80% on each to pass.

Completion of the program is required before a student can be formally enrolled into Year 11. Even if your child is planning to leave school they must complete this task. Only students formally signed out of school are excluded from the task.

**Activate NESA Account** students will receive their NESA number and login into their NESA account. They will learn how to update their details and download their Education Record 'E-Record'. All students must activate their NESA account before they can download their HSC in 2022.

**USI** – Unique Student Identifier application. **Students must bring a photo of their ID on their phone. Either a Drivers Licence or Medicare Card.** On line application can be completed in 10 minutes. The USI is mandatory for all courses including VET, TAFE and University.

Please call me on 4627 1800 if you have any questions.
