

Year 7 In Focus

Ambarvale High School has been recognised as having an exemplary Year 6 into Year 7 Transition Program. Year 7 students are individually supported as they transition from primary to secondary school.

We also offer academic scholarships to students beginning their secondary education up to the value of \$500.00.

Our two day Wellbeing Camp provides excellent opportunities to develop strong positive relationships with peers and teachers. Students who are identified as high achievers through ACER (Australian Council of Research Assessment), or are recommended by their primary teachers, have the opportunity to join our **High Potential Class in Years 7 and 8**.

We have a focus on 21st Century learning, recognised by the 2018 NSW Secretary's Award for Outstanding School Initiative for our Innovation Projects.

Our aim is to provide happy, safe, enjoyable and individualised learning experience for all students at Ambarvale High School.

About Us

Ambarvale High School is an award winning co-educational comprehensive school that caters for students of all ability levels. Established in 1984, the school provides a caring environment in which students' horizons are broadened through the attainment of knowledge, skills and values required to successfully prepare for the future.

Ambarvale High School

COVID Guidelines During Ambartour

Following COVID guidelines and recommendations, the structure of the Ambartour will be modified and will strictly adhere to groups of 30 adults in any one location rotating through different areas of the school in a guided tour.

The Ambartour will not commence in the hall. Upon arrival at the school you will be asked to sign in via a QR code. Depending on your surname, you will be asked to enter the school via a particular gate and allocated to a specific group for the entirety of the tour.

Ambartour Year 7 2022

**Tuesday, 16 March 2021
4:30pm - 6:30pm**

***Information Evening
2021***

Caring

At Ambarvale High School we care for and value each individual student. We boast a variety of strong leadership programs and nominate a large number of students for award programs including the **GRIP Student Leadership Program**, **Why Lead?** and **Learning Labs**, all of which are highly successful. Students are also provided the opportunity to join our inclusive Student Leadership Team.

Ambarvale High School prides itself on its wide range of extracurricular activities including lunchtime clubs, knockout teams and other competitions.

Valuing our students' health and wellbeing, we provide opportunities for our students to access our School Counsellors, Student Support Officers and a Speech Pathologist.

Careers

Ambarvale High School has an outstanding Careers Adviser who provides our students with a myriad of opportunities to reach their career goals. We tailor our career programs through individual subject selection interviews to specialised trade training interviews.

Our school maintains strong links with:

- Western Sydney University
- University of Wollongong
- TAFE NSW

Year 7 2022

Orientation Day

Tuesday, 23 November 2021

School Culture

Ambarvale High School experiences regular success with our sporting teams, including representing South West Sydney in Swimming, Athletics and Cross Country Carnivals. Our school has many opportunities for students to display their talents from dance concerts, art exhibitions and a Music Showcase evening.

One major highlight is our annual Creative and Performing Arts Exhibition, showcasing the outstanding talents of the students who undertake Music or Creative Arts throughout the year.

Learning Needs

Our students have access to a broad range of resources which support student learning and maximise results. Our Learning Centre is staffed with highly experienced Learning and Support teachers including two Student Learning Advisers to cater for all students with specific learning needs.

Students with high potential, have the opportunity to participate in enrichment and acceleration programs.

HSC

In 2020 our students obtained great results with Jake Goggi receiving an ATAR of 94.8 and receiving a scholarship to Western Sydney University.
