Art Group for Wellbeing Program

Dear Parent

I am pleased to inform you that your child _____ has been selected by the Wellbeing Team to be a member of an Art Group for Wellbeing program based on information from their Primary school. The group will meet on Tuesday mornings once a week, for an hour during period 2, throughout Term 1 and 2, in the Wellbeing Hub.

The program, run by Mrs Claudia Sannio, a teacher from Thomas Acres Public School, allows children to create individual artworks as well as contribute to group projects using a variety of media. The overall aim of the program is to allow students to express themselves verbally and/or through art. Art is secondary as the program includes literature and discussions focusing on improving self-esteem, friendships, building resilience, collaborating with others, conflict resolution, as well as discussing and providing possible solutions on how to react in different situations.

If you require any additional information, please contact Mrs Laila Parkin on 4627 1800.
