## Parent & Student EVET Information Session

Dear Parent

Parents of Year 10 and 11 Support students are invited to attend a Student & Parent Information Session conducted by Dianna Ames, Support Teacher Transition on **Wednesday, 5 May 2021 at 9:40am**, regarding EVET Courses in 2022.

The Life Skills HSC allows students to undertake study in a variety of vocational areas that provide work related skills and knowledge. These EVET courses count as Units of study towards the Life Skills HSC. There are now more course options available for our students.

### EVET Courses

- Vocational courses studied at TAFE College in Years 11 and/or 12 as part of the Life Skills HSC
- Courses are available in a variety of industry areas
- Courses can give students a National recognised qualification
- Allow students to gain work related skills
- May provide advanced standing for TAFE or further education
- Count towards both the Life Skills HSC and a TAFE qualification.

### What are the advantages of taking an EVET Course?

The EVET option provides an ultimate choice for those students who desire to:

- Experience an adult learning environment
- Access classrooms, workshops, computer laboratories and facilities that are well equipped and meet industry standards
- Be taught by industry trained and experienced specialists
- Select from a wide range of courses.

Please indicate on the note below if you wish to attend this meeting, we look forward to seeing you.
