Educational Excursion Information and Consent Support Unit – Symbio Wildlife Park

Dear Parent

We have organised a Support Unit excursion to Symbio Wildlife Park as part of the Term 2 Profectus project on "How can I protect another Koala Joey?"

To meet outcomes in the unit, students will be attending a full day excursion to Symbio Wildlife Park. We will have a guided tour of the Park and will be looking at Koalas in their natural habitats, with a view of conservation of species.

All students will be travelling by bus from School to Symbio Wildlife Park. Students will be required to wear full school uniform and bring their own morning tea, lunch, snacks and drinks. It is anticipated students attend this excursion to ensure their knowledge and understanding of the topic is enhanced. This is a great opportunity for your child to consolidate their learning about Koalas.
