Educational Information and Consent Learning Labs Program

Dear Parent

Congratulations! Your child has been identified as a student who would be ideally suited to participate in the Learning Labs enrichment program for high achieving students who are currently in Years 7 – 10 during 2021. It has been organised and run by the Regional Campuses and Student Diversity at the Western Sydney University.

Date: 1 Day learning labs: Thursday, 1 July 2021 (School Holidays)
2 Day Workshops: Friday, 2 July 2021 (School Holidays)

Time: 9:00am – 3:30pm. Details for meeting points and specific information about the course will be sent with the acceptance letter from the Western Sydney University to the email placed on the application.

Cost: Nil. The original fee of \$185.00 - \$200.00 will be fully subsidised by Ambarvale High School.

Location: Western Sydney University (WSU).

Transport: Students are to find their own form of transport to and from the venue. Please be aware that no teachers from Ambarvale High School will be attending this program.

What to bring: Morning tea, lunch, drink, hat, sunscreen and stationery supplies.

Workshop summary: Please view the attached flyer for workshop options.

Should your child be interested in attending the Learning Labs program, please select the workshops that are of interest and fill out the consent form and return it to Ms Perwaiz, who will submit the application on your behalf. There are limited places for students to have the cost of the program covered by Ambarvale High School, therefore, the first to return this note completed and signed will be assisted to apply first and will have more of an opportunity to secure a position.

All notes need to be returned to Ms Perwaiz in the Library by **Friday, 30 April 2021**. However, the earlier the note is completed and returned, the earlier we can submit your child's application. They require one form of supporting documentation that will be organised at school.

Please contact the school on 4627 1800 or visit the website <http://www.WSU.edu.au/in2uni-myway/learninglabs/index.html> for further information about the program.
