Dear Parent

As part of the Stage 5 Geography course students are studying the unit Changing Places. In this topic students consider international migration. This includes developing an understanding of the reasons for, and effects of international migration within the Australian Context.

During our study of this content students will be viewing excerpts from *Go Back to Where You Came From Live (2018)* to consider the perspectives that surround the issue of refugees and asylum seekers. This documentary is rated M.

Please sign the permission slip below and return it to your classroom teacher by Wednesday, 16 June 2021 if you **DO NOT** wish your child to view this material.

Alternative work will be provided for any student who does not have parental permission to watch the media.
