

From Your Year Advisers

It is an exciting time for students of Year 12, as they approach their final term of High School. There are going to be many events occurring this term and it is important that students are attending school each day on time, as much of this information is distributed during roll call. Formal payments are due by week 3 and payments are to be made at the front office.

Additionally, I encourage all students and their families to ensure that their wellbeing is made a priority to ensure they are working towards their personal best and can graduate from Ambarvale High School with pride.

It has been a privilege being your child's Year Advisor and I look forward to acknowledging their efforts with you at graduation.

Things to Remember:

- Student Learning Conferences will take place at the start of Term 3
- Deep Learning Day's will continue on Fridays on week 2,4,6 and 8
- Year 12 Wellbeing Day at the Australian Botanical Gardens, Tuesday September 17
- Year 12 Graduation Evening, Thursday September 26
- Year 12 Formal at Lakeside Golf Club, Friday 29 November 2019

Ms Bunce and Mr DJoneski

From Your Deputy

It has been extremely encouraging to see the positive way that the vast majority of Year 12 students have engaged in their learning since they began their HSC journey at the start of Term 4 in 2018. With Trials now completed, students are reminded that Term 3 will be for the completion of course requirements and preparations for studying past HSC papers and other relevant sources into the commencement of their HSC examinations in Term 4.

I will remind all Year 12 students that the journey towards their HSC has not yet ended and it is important that as you continue with your HSC year of study, you complete all class work and especially your assessable tasks, including any VET work placements that are not yet completed, to ensure the best possible result and assessment mark and HSC Rank Order of Merit that will be used in your HSC journey for each subject.

Most Year 12 students have teacher mentor feedback from students in that they are finding this initiative a very positive one as they prepare for their trials and the upcoming HSC.

Mr D Macpherson
