

From Your Year Advisers

Welcome to Term 3! This term you will be reflecting on your learning. You have all received your reports and have had a chance to identify what your strengths and challenges have been. Student Learning Conferences will give you the opportunity to create some goals to improve your learning during Semester 2.

We will continue our Roll Call competition this term! The results were close last term but ultimately Miss Fracarossi's Roll Call was the victor! Who will win next? Miss Nicoll and I cannot wait to find out!

Ever wondered what Geography and English have in common? This semester you will find out as you start your integrated learning program – S.E.E.D.

Ms A Phillips and Ms A Nicoll

From your Deputy

Welcome to Term 3 and Semester 2. Soon you will receive your Semester One report which is an important document that provides important data and key feedback on your learning and behaviour. Use the meaningful feedback from your teachers to set some goals for learning success. These will be discussed with your parent and a member of staff at your Student Learning Conference which is occurring in the first half of Term 3. This allows all relevant stakeholders in your learning (parents and teachers) to be aware of your goals and help you keep on track to achieve them.

From Ms Arts

Things to Remember:

- Make sure you are wearing full school uniform - this earns you points for your roll call. If you need assistance please see Miss Nicoll or myself.
- If you are absent from school, make sure you are bringing in a note from home or a doctor's certificate to explain your absence.
- Remember that School policy says phones should be away during Roll Call and class time.

Calendar
