

From Your Year Advisers

We have reached the final edition of Year Matters for 2019! A big congratulations to all Year 7 students for completing their first year at Ambarvale High School. After a busy few terms, students have begun to find their place in our school community.

Congratulations to all the students who have attended recent excursions. Students who attended the recent Year 7 TAS Bridges Field Study Tour were engaged, participating and displaying TRREC values whilst out in the community completing their Assessment Task. Another special mention goes to the students who attended Gala Day, where excellent sportsmanship was displayed.

I would like to remind students that their final assessments will begin early next term and I encourage them to make sure they manage their time to complete these tasks to the best of their ability. All students have set learning goals during their Student Learning Conferences so please encourage them to continue to work towards achieving those goals.

Mr Aquilina and I have thoroughly enjoyed getting to know Year 7 this year and we wish you all a very happy end of year.

Ms R Knowles and Mr D Aquilina

From Your Deputy

Congratulations on nearly completing your first year of High School. This term we will be having many different transition activities with the current Year 6 students who will be the 2020 Year 7 class. Please make them welcome and help them during these transition days. As the warmer months approach ensure that you bring a refillable reusable bottle with you to school each day, use our filtered water refill stations throughout the day to keep you hydrated and focussed on your learning. On Monday and Wednesday afternoons our Library Learning Centre is open for students as our homework club runs on these days. Each of these afternoons are staffed with volunteer teachers from different faculties to assist students in completing their homework or upcoming assessment tasks. Please see the Learning Centre staff or the front office for an information and permission note for this program.
