

From Your Year Advisers

There are so many wonderful events happening this term! We have Multicultural Day and we look forward to seeing our Year 9 students celebrate and perform on the day. We will also be having our Wellbeing Day!

Last term you all set learning goals in your Student Learning Conference. Have you achieved your learning goals for the semester? What resources do you need to help you achieve them? What actions can you be taking right now to work towards them? Don't forget your teachers will be writing your reports this term. Make sure you are demonstrating your **TRREC** values and achieving your personal best in each subject!

You have now started your Record of School Achievement (RoSA). All the work you are doing goes towards this and means that you can be lettered for not completing work and assessment tasks or for not attending school regularly. Make sure you are organised for learning!

Ms A Phillips and Ms A Nicoll

From your Deputy

As the warmer months approach ensure that you bring a refillable reusable bottle with you to school each day, use our filtered water refill stations throughout the day to keep you hydrated and focussed on your learning. On Monday and Wednesday afternoons our Library Learning Centre is open for students to access our homework club. Each of these afternoons are staffed with volunteer teachers from different faculties to assist students in completing their homework or upcoming assessment tasks. Please see the Learning Centre staff or the front office for an information and permission note to enable you to participate in this program.

Ms S Arts

Things to Remember:

- Summer bells means assembly will be after Roll Call on Tuesday A.
- Need to have appropriate uniform for the warmer weather. If you have any issues please see Miss Nicoll or Miss Phillips.
- Make sure you bring a note to explain your absence from school or remind your parents to use the messaging system.
