Principal: Ms L Barnott-Clement, M.A., M.Ed., B.A., Dip.Ed.
Deputy Principal: Ms S Arts, M.Ed., B.Sci., Dip.Ed.
Deputy Principal: Ms E Fitzgerald, B. Health Science, Dip.Ed.

Parent Guide to Google Classroom

What is Google Classroom?

Think of Google classroom (GC) as your child's digital link to learning.

Teachers use GC to share class activities, assignments and tasks. This is a platform where your child can ask their classroom teacher questions, submit work for feedback and collect resources for learning.

Getting started

Your child was invited by their teacher (via student education email) to join each Google classroom OR they were provided with a unique code to join their classroom. If students are not currently accessing their GC they should, at first, check their department email as invitation emails from their teachers should be present.

Navigating classroom

Students will have access to multiple GC's. They will have 1 per subject/course they are completing.

Students access GCF through their Department of education Student Portal. Once logged on to the portal select the G-Suite Icon, then select the Google Classroom Icon (above). Once on the GC platform students can select which classroom (subject) to access and begin the work. GC can also be accessed by the GC app- download in your app store.

Further information regarding Google Classroom is available on the **AHS learn @ home** website.
