Dear Parent

With students returning to school full-time from Monday, 25 May 2020 we are following Department of Education and Department of Health advice around physical distancing and avoiding large groups of students at any given time. One measure we have put into place is a flexible timetable for senior students:

- Year 11 and 12 students who do not have a class in Period 1 do not have to attend the school grounds until 15 minutes before their first timetabled lesson of the day.
- Year 11 and 12 students who finish before Period 5 may leave school grounds immediately after their last timetabled lesson of the day. Students with Extension classes after school must stay on the grounds to attend those lessons.

This will reduce the number of students entering or leaving the school in the morning and afternoons.

Parents must give the school written permission for students to participate in the flexible timetable.

If you would like your child in Year 11 or 12 to participate, please read the form below, sign it and return it to Mr Langford, Deputy Principal. If you have any queries please phone Mr Langford on 4627 1800.

I give permission for _____ of Year _____ to participate in the flexible senior timetable. I understand that this means my child:

- is only required on school grounds 15 minutes before the start of their first timetabled lesson of the day
- may leave immediately after their last timetabled lesson of the day
- may not leave the school during the day and come back again
- must sign/swipe on and off in the office if they arrive after 8:40am or leave before 2:50pm
- will need to make their own way to and from school
- will have their flexible timetable privileges removed if misused, for example if students are found truanting, not signing on/off, arriving after their first class, or leaving before their last class (including Extension classes after 2:50pm)
