Deputy Principal: Ms E Fitzgerald, B. Health Science, Dip.Ed.

---

Dear Parents of year 12 students,

Thank you for your ongoing support of your HSC students during this difficult time. As we move towards regular schooling we need to prioritise our HSC students so that they maintain regular communication with their teachers and peers.

### **Week 3**

Starting from week 3 (May 11) students are returning 1 day per week based on their house group. This includes Year 12 students.

### **Wednesday project day**

Every Wednesday teachers of VET courses and subjects that have a major work, body of work, major project are on site and we encourage all year 12 students that have a major work also attend on a Wednesday to work directly with their teachers on their projects

### **Communication**

Further to this, HSC students are encouraged to contact their classroom teachers to enquire what days they are on site. Students are encouraged to make appointments with their classroom teachers where they can work one on one or in small groups of curriculum specific learning and tasks.

### **Trial Exams**

Last week Year 12 were informed on their Year 12 Google classroom that the Year 12 Trial Exam period has been postponed from week 9 and 10 this term, to week 2 and 3 term 3. This was to allow students to engage with more face to face learning and regular schooling as restrictions decrease prior to their major exam period.

We look forward to seeing Year 12 students on their designated house day next week.

Simone Arts  
Deputy Principal
