Deputy Principal: Ms S Arts, M.Ed., B.Sci., Dip.Ed.

Information Note ClickView

Dear Parent

ClickView is an educational video platform that we have invested in as a school. Online access to our ClickView library means that every student can access videos easily at home for research, homework and assignments. Teachers can also 'flip the classroom', asking students to view video content at home followed by quality discussions and higher-order thinking and problem-solving in class.

ClickView's Curriculum Library for Secondary Schools comes with thousands of educational titles to support the Australian Curriculum and improve learning outcomes in our school. The Curriculum Library includes 2,000+ curriculum-relevant titles which have been mapped to the Australian Curriculum and includes additional resources to help support student learning.

All students can access ClickView Online by following these steps:

1. Go to this link: [Online.clickview.com.au](https://online.clickview.com.au)
2. Click the button on the top right that says 'Sign in'
3. Enter your NSW student email address (example: john.smith@education.nsw.gov.au)
4. Click 'Sign in with your DoE account'
5. Enter your student portal username and password to login
6. Search for videos or look in your subject folders

Student access is restricted to videos that are appropriately rated for their particular age group, according to the Australian Classification Standards.

If students are having difficulty accessing this resource, please see Mrs Grasso in the HSIE Faculty.

If you have any questions about the ClickView platform, please do not hesitate to call Mrs Grasso on 4627 1800.

Ms L Barnott-Clement
Principal
