Creative Writing

Using Google Doc,
Microsoft word or a
pen and pencil
complete the following
creative writing task
prompts

Using the image, write an introduction to a story!

Think about the following:

- Who is the main character?
- What can they see?
- What do they want?

For Example:

I had been walking non stop for ten harsh cold days. My feet had blistered and pussed, but I could finally see the glittering lights of town next to the mountain. The map was right and now I will finally find the

**ART & CREATIVE
WRITING**

Google “Famous Artwork”.
Using a image write a short
story about what you can
see?

List 5-10 office jobs. Pick one of them and describe a person working in that job as if you were a commentator on an Olympic sporting event.

Write 200 words about how a unicorn got its horn.

Think about:

- Did the unicorn want the horn?
- Was the unicorn tricked?
- Did it grow?

EXTENTION:

Think of a character. Write a paragraph each about:

- An important childhood experience that character had.
- The character's living situation.
- Two hobbies or things the character likes to do.
- The room where the character sleeps.
- An ambition of the character.
- Two physical characteristics of the character.
