

From Your Year Advisers

A busy, final term ahead for our Year 12 students this term. A huge well done to all of our students on successfully completing their HSC Trial Examinations. You all worked especially hard to prepare for these exams at the end of Term 2. A special mention to the Year 12 teachers and students who participated in holiday workshops in preparation of their HSC.

Coming up this term is our HSC study skills day. All students will have the opportunity to participate in this day and will include some elements of wellbeing and mindfulness. Other milestone events include final assessment tasks, final reports and the much anticipated Graduation Ceremony, HSC Exams and Formal to conclude the year. More information will be available as we progress through the term.

From Your Deputy

Well done to Year 12 on the completion of their Trial Examinations. Students who have chosen to have a Learning Mentor should seek their support during this time and reflect upon successes and areas for improvement. Students should also be using their student diaries to help map out their home study program and examination timetable to ensure they manage their time and reach their learning goals.

Remember to continue to maintain high levels of attendance and if absent, provide a note or medical certificate if away for an assessment task. Arrival to school and class on time is expected each day, as is the wearing of full school uniform.
