

From Your Year Advisers

Several Year 8 students have represented Ambarvale High School in sporting and academic events. Well done to these students. It is always wonderful to see students enjoying additional activities offered at school and I would encourage Year 8 to continue to be active members of their school community.

I would like to mention the students who are always following our TRREC values at Ambarvale High School. Don't forget teachers are always looking for students in the playground who are displaying TRREC values to be rewarded with 'Keeping on TRREC' vouchers.

Remember we are a uniform school, if you are experiencing financial hardship and require assistance with school uniforms, please see your Year Adviser. Additionally, arriving to school on time is important and you should attend school for at least 90% of the school year. Any absences should be explained with a note or medical certificate.

From Your Deputy Principal

Year 8 students have taster lessons to look forward to soon, in anticipation for when they have to consider making subject choices for Year 9 elective classes. Students need to carefully reflect on their elective choices for 2022 and ensure they are studying subjects they are interested in learning about, rather than just choosing subjects their friends are in.

Students are reminded that if they experience social peer related issues they are to seek assistance from their teacher, Year Adviser or Deputy Principal and NOT to think that physical aggression is ever an appropriate means of action as this places the safety of them and others at risk.

With the start of winter and colder weather, students are encouraged to wear the correct uniform, including the school hoodie jumper and Ambarvale High School issued long pants. Students out of uniform will not be invited to non-mandatory school excursions or events. If families need financial assistance to purchase the correct school uniform, please do not hesitate to contact a member from the wellbeing team.

Students are also reminded to be on time to school and be in the school gates by 8:30am. Students who enter the school grounds after 8:40am will have to enter the school via B Block and their names will be recorded as "late arrivals".
