

## ***From Your Year Advisers***

Welcome to Term 3! This term you will be reflecting on your learning. You should have all received your Semester 1 Reports and will have an opportunity to identify your strengths and challenges in the first few weeks of the term. Student Learning Conferences in Weeks 3 and 4 will give you a chance to create some goals to improve your learning in Semester 2.

A reminder that winter is well and truly here. Make sure you are wearing full school uniform each day so that you do not miss out on any opportunities. If you need assistance with purchasing school uniforms, please let me know. We are also happy to support you with other school equipment.

Make sure you are organised for learning. If you need assistance with class work and assessment tasks, see the Learning and Support team in the Learning Centre before your task is due.

We encourage students to take all opportunities that are presented to them and to continue to be TRREC leaders to the rest of the school community. Happy learning!

## ***From Your Deputy Principal***

As we move into Term 3, I encourage all students to focus on their school attendance levels. Regular attendance at school is a requirement of the Department of Education and ideally, a student should have an attendance rate of over 90%. Be sure to come to school regularly and on time so that you are able to be the very best learner possible.
