Digital Thumbprint

Dear Parents

During Week 4, Term 4 2020, Optus will be running a **Digital Thumbprint** program with students of Year 7, 8, 9 and 10 for one hour.

Year 7 – Monday, 2 November 2020

Year 9 – Wednesday, 4 November 2020

Year 8 – Tuesday, 3 November 2020

Year 10 – Thursday, 5 November 2020

Created in close consultation with leading education experts and delivered free to Secondary Schools in New South Wales and Victoria by a team of world-class facilitators, the program contains a face-to-face, curriculum aligned workshop tailored to the needs of specific year groups that empower and inform Australia's young digital natives.

By making digital education fun and interactive, Digital Thumbprint teaches students the advantages of a positive online presence whilst arming them with the facts they need to stay safe online in a way students can understand, use and enjoy.

For further information please feel free to visit their website on www.digitalthumbprint.com.au.

There is no cost involved to students and the workshop will be a valuable experience for all students involved aiming to equip them with some particularly important information on safe internet use.

If you **do not** wish for your child to participate in this program, please fill in the section below and return it by Friday, 28 August 2020.
