Educational Excursion Information and Consent Robogals – Sydney Science and Engineering Day

Dear Parent

The Robogals Sydney Science and Engineering Day is an initiative run by Robogals Asia Pacific to engage young women to become involved in STEM (Science, Technology, Engineering and Mathematics) and robotics beyond the classroom.

Robogals is a non-for-profit, volunteer-led, organisation that aims to decrease the gender disparity in engineering. Engineering and technology workshops are run free-of-charge to allow young girls to explore these areas.

When: Saturday, 6 April 2019

Time: 1:00-5:00pm. Registration starts at 12:30pm.

Where: University of New South Wales, Kensington

Itinerary and transport: Students are to make their own way to the University of New South Wales, Kensington.
