

From Your Year Advisers

If you have any concerns, issues or problems at school, be sure to **TALK ABOUT THEM**, we can't help if we don't know what is going on.

Be honest, clear and don't be afraid to ask for help from any staff members because we all care and want to support you.

Continue your fantastic start to the 2019 school year by continuing to demonstrate our TRREC values on a daily basis.

Things to Remember:

- Be mindful of the change in weather and ensure your uniform still meets school expectations.
- Stay up to date on assessment tasks, their requirements and be sure to start them well in advance of the due date.
- Continue to be aware of how the things you say and do can impact on other people.

From Your Deputy

It has been extremely encouraging to see the positive way that the vast majority of year 8 students have engaged in their learning at the start of Semester 1 and I hope that this continues.

I was extremely impressed with the start of the STEM project based learning activities and to see the level of enthusiasm as students lead the discussions around their learning and to see the outstanding quality of their work and to note the growth and confidence.
