

From Your Year Advisers

Year 10 have had a great start to the school year with students representing the school in a number of different activities, some invited to help at Year 7 camp and wonderful Year 10 representation at the swimming carnival.

It is going to be a busy year with assessments tasks, exams and extra-curricular activities. Please be mindful of planning and the organisation of your time in order to complete drafts in a timely manner, this will allow you to get the best possible results.

You continue to be a pleasure to work with!

Things to Remember

The non-completion of work will result in a white letter. If there are issues surrounding classwork or assessment tasks please make sure that you approach your class teacher or subject Head Teacher to ask for assistance prior to due dates.

Uniform. School uniform should be worn daily to school. Please check school uniform policy on our website, including specialist subjects.

Assessment tasks are all available on line. These can be viewed on the website - including due dates.

From Your Deputy

It has been extremely encouraging to see the positive way that the vast majority of year 10 students have engaged in their learning in the start of Semester 1 and this has been reflected in the many positive comments I am hearing from teachers.

I will remind all year 10 students that the journey towards their year 10 RoSA has commenced last year and it is important that you complete all class work and especially your assessable tasks to ensure the best possible grade that will appear on this document.
