

From Your Year Advisers

The Learning Mentor Program has begun; staff and students are excited to work together as the year progresses. The **Trial HSC** is scheduled to take place during **weeks 9 and 10**. Students will receive an examination timetable indicating when they are required at school. They do not attend their normal classes during this examination period.

Ms Bunce and Mr Djoneski thank you for your continued support and commitment to your child's education.

From Your Deputy

It has been extremely encouraging to see the positive way that the vast majority of Year 12 students have engaged in their learning in Term 4 2018 and for the start of 2019 and I hope this will be reflected in the many excellent results and positive comments reflected in their reports and I hope that their efforts continue into Terms 2 & 3 and into the commencement of their HSC examinations in Term 4.

I will remind all Year 12 students that the journey towards their HSC is well underway and it is important that, as you continue with your HSC year of study, you complete all class work and especially your assessable tasks to ensure the best possible result and assessment mark and HSC Rank Order of Merit that will be used in your HSC journey for each subject.
