Changes to the Delivery of Year 12 VET Hospitality Food Beverage

Dear Parent

Your child has been given the opportunity to complete Year 12 VET Hospitality Food and Beverage clusters through the support of TAFE NSW. This will occur through specific sessions each Friday during the hours of 8:50am and 12:20pm, effectively periods 1-3, that work towards the completion of the clusters. It will involve a trained TAFE teacher delivering the clusters and expertise necessary for student learning.

This delivery and assessment will ensure students are best placed to achieve their qualification in Certificate II Hospitality: Food and Beverage. Full attendance is expected to ensure students are able to achieve the best outcome possible.

By having the support of TAFE through our region (Ultimo) it has meant that students will be able to continue their studies at Ambarvale High School, in familiar surroundings and as a school community, every effort has been made to try and have as little impact on the students as possible.
