Educational Incursion Information and Consent Horse-Assisted Learning Program 2019

Dear Parent

Your child has been offered the opportunity to participate in an innovative program of Horse-Assisted Learning at Ambarvale High School. This program is designed to assist participants in learning how to use their leadership skills to recognise and overcome challenging situations that arise in everyday life. In conjunction with a school counsellor, a teacher, a horse-handler and several horses, participants engage in a series of activities that lead them through scenarios that may assist them in dealing with real challenges in the future.

Please note all activities involve working with horses (that are experienced and trained for these courses). There is no riding of horses involved; instead students work to move horses through and around obstacles using team and leadership strategies.

Your child has a unique opportunity to participate in a program that is free and is offered on the grounds of Ambarvale High School. The program will run for one hour per week for six weeks beginning on Thursday, 16 May 2019.
