# PATHWAYS TO SUCCESS SCIENCE POSTER COMPETITION

The Ingham Institute is hosting a **Pathways to Success Science Poster Competition**.

Entries are open to Year 9 - 12 students in the South Western Sydney region.  
Gift vouchers from the Co-Op Bookshop will be awarded to the winners of each school.\*

The top five overall winners of the competition will have the amazing opportunity to present their work in front of Australia's top scientists and medical researchers at the South Western Sydney Annual Research Showcase on the 5th & 6th June 2019.

## POSTER CRITERIA

1. Background
2. Aims
3. Materials / Methods
4. Results
5. Conclusion

You can base your poster on a science topic in your school's science curriculum or a particular science topic you are interested in.  
The sky's the limit! Be as creative as possible.  
Make sure you use tables, pictures, diagrams and symbols.

**Submissions of posters are due  
Friday 3rd May, 2019**

Winners will be contacted prior to the Research Showcase.

**Electronic submissions in A2 size  
can be submitted for printing to:  
[pathways@inghaminstitute.org.au](mailto:pathways@inghaminstitute.org.au)**

\*Co-Op Bookshop vouchers with a total prize value of \$1000 will be awarded to the winners.

Inspiring health. Transforming care.
